Pink Ladies Present Monitor to Hospital

The annual awards luncheon of the Pink Ladies Volunteer Auxiliary of the Wasatch County Hospital was held June 22nd at the HyLander Cafe. President Lois Todd welcomed nineteen members and board members Harold H. Smith, Elmo Jacobsen and Mrs. Floyd Bonner. Mrs. Smith and Mrs. Jacobsen accompanied their husbands. Also present was Mr. Norman Davis, hospital administrator and Mrs. Davis.

Mr. Smith, chairman of the hospital board, thanked the Pink Ladies for the volunteer hours given during the past year and presented certificates to them.

The highlight of the luncheon was the presentation by President Todd of a \$1500 check to Mr. Davis for the purchase of a heart monitor for the surgery department of the hospital.

Mr. Davis thanked the volunteers and gave an explanation of what the monitor will do. He said that it will be a great aid to the doctors in their surgical work and is something the hospital has needed for a long time.

He also admonished the volunteer workers to make the hours invested a rewarding experience — "not how many hours have been put in but how many problems have been observed and how many corrected. Every hour should be centered around the goal — How effective is your service?"

Mr. Davis presented pins to the following: Ione Moulton for 10,500 hours; Winnona Epperson and Phyllis Jacobsen for 1000 hours; Charolette Berg, Mary Mahoney, Florence Nielson and Lois Todd for 800 hours; Maud McPhie for 600 hours; Lala Humes and Leota Clark for 300 hours; Marguerite Huber and Teenie Rasband for 200 hours.

President Todd presented the new officers for the coming year.

President, Winnona Epperson; Vice President, Phyllis Jacobsen; Secretary and Reporter, Atha Montgomery; Treasurer, Teenie Rasband and Melba Chapman and Historian, Maud McPhie.

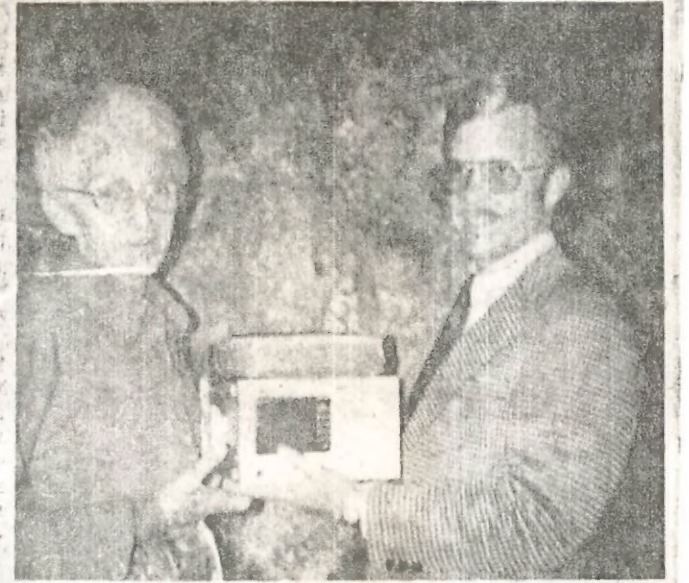

President Todd brought attention to the accomplishments of the organization during the past year.

Decorated a car and participated both days in the Wasatch County Fair. Decorated wall plaques for each patient in Long Term Care for Christmas. Decorated Christmas Trees for main lobby and Long Term Care. Made two dozen large bibbs for the elderly people and furnished three flowered table covers for the Long Term Care. Donated money for three redwood planters for patio of Long Term Care wing. Made two quilts at the hospital for fund raising project. Furnished an art display on the walls of the hospital corridors. At the present time, the students of Mrs. Beebe are displaying their work. We have some remarkable talent in our valley and we would like to invite the residents to come in and view the results of their work.

This art display is changed periodically and we invite any who would like to exhibit their work to get in touch with Mrs. Phyllis Jacobsen.
